

PRESS RELEASE

Overseas Pakistanis can now vote online for By-elections 2018

September 03, 2018

The Election Commission of Pakistan (ECP) is conducting Overseas Voting through Internet Voting Process in the upcoming by-elections in 37 constituencies, scheduled to be held on 14 October 2018. iVoting (Internet Voting) is an online voting service. Using this service, Overseas Pakistanis can cast their vote online in their respective constituencies from anywhere in the world using any internet-connected device. The overseas Pakistanis are eligible for voting if they:

- possess National Identity Card for Overseas Pakistani (NICOP)
- possess Pakistan Machine Readable Passport (MRP)
- are a registered voter in the constituencies in which by-elections are being held.

The list of these constituencies along with detailed mechanism of Internet Voting is available on the website of the Election Commission of Pakistan. All overseas voters belonging to these constituencies are required to get themselves registered between 1-15 September, 2018 online at <https://www.ecp.gov.pk> OR <https://www.overseasvoting.gov.pk> to cast their vote in upcoming bye-elections through Internet Voting.
