

PUBLIC NOTICE

Subject: **Guidelines on Travel To / From / Within Pakistan**

All travellers to Pakistan are informed that, with effect from **01 October 2021**, the following SOPs/Guidelines are applicable to all international passengers to/from Pakistan of age 17 years and above:

International Inbound and Outbound Travel: Only fully vaccinated passengers will be allowed to undertake international inbound travel to/outbound travel from Pakistan.

Domestic Air Travel: Only fully vaccinated passengers will be allowed to undertake domestic air travel within Pakistan.

The only exemptions to the stipulations mentioned above will be:

- Passengers below 17 years of age
- Passengers medically advised against COVID-19 vaccine administration and holding a medical certificate certifying the same

Any or all passengers arriving in Pakistan will be subjected to COVID-19 related Standard Procedures already in vogue including pre-departure PCR Testing conducted within the 72 hours prior to commencement of travel to Pakistan, the on-arrival Rapid Antigen Testing along-with any or all additional stipulations mandated by the relevant Health Authorities upon arrival in Pakistan.

Passengers moving outbound from Pakistan will also adhere to any or all COVID-19 related mandatory requirements implemented by Other States and/or airline operators, in addition to the above instructions.
